Rapidly Changing Prices

Inflation hit 2021 at a strong rate, and its main drivers, like food and cars, reflect a strong economic recovery.

Millennials Are Buying Their Second Home Before Their First

Rather than focusing on single-family homes to live in, millennials are setting their sights on vacation homes to both use and rent throughout the year.

[Read: Vacation Houses Are the New Starter Homes](#)

Did You Buy Crypto Last Year?

Taxes are complex as is... If you bought crypto last year, prepare for tax season with these helpful tips.

[Read: Here Are 6 Questions You Might Want to Ask Your Tax Pro](#)

How To: Navigate Increased Food Prices

Inflation is no joke, and the effects of price jumps are impacting consumers. Here's how you can navigate rising costs.
